

Subject : Consideration for cancelled LOIs

Kindly refer to the subject cited above that LOI of 48 FPOs has been cancelled due to over delay in submission of DPR. It has observed that some FPOs have applied for credit and some has obtained loan from the banks. Keeping it in view it has been decided that projects of such FPOs will be entertained on case to case basis, Therefore FPOs who desires to continue their credit linked projects may submit request letter against cancellation with documentary evidence and full justification by 10.10.2021.
